M'Kinley Fund Is Waiting on Action.

All things in the matter of the work wait inspector-depend of the Department upon the Honelulu sub-body. This was california. The inspecting effect arrangements were made ioss, T. C. Davies, the Rev. W. D. Westervelt and J. G. Rothwell.

When the meeting had been called to order, Mr. Schnefer presented his resignation of the chairmanship, which had been tendered to him as a result of the departure of Governor Dole. The reasons assigned were such that the request for relief from the duties was granted and the choice fell upon Acting Governor Cooper for the succession.

There was some discussion of the subscriptions and the estimates made of total amount which had been brought out up to this time were close to \$10,900. In the list for Honolulu there are now only about twenty persons who have given to the fund, and the sentiment was that there should something definite done in this city before there was any more active campaign carried on in the country dis-

Chairman J. G. Rothwell, of the committee in charge of the collections of enclosure for sending to each person in the island who has not subscribed. There is included an envelope addres-sed, a postal money order application, a letter to Treasurer Cooke to accompany the donation, and finally the fol-

Dear Sir:-It is the custom among all civilized nations to honor the memory of the illustrious dead, and it has devolved on this committee to take the volved on this committee to take the initiative in securing the means for the erection of a suitable memorial to be dedicated to the memory of the late President of the United States, Wm. McKinley, a man who eminently served his country in the exalted position to which he was called by the popular to the country was a merican cit. ote of his countrymen, American cit-

The form of memorial has been recommended in the shape of a public rec-reation ground in the district of Honolulu, as a befitting token of regretful esteem to the memory of one of Amer-ica's greatest statesmen, whose sympathics and efforts were recognized to always for the best interests of the

public at large.

This committee have not yet heard from you on this subject, and desire to afford to every individual resident in Hawaii, regardless of nationality, the opportunity of being represented in so meritorious an undertaking. You are therefore invited to subscribe to this

fund such amount as you may desire. Enclosed please find subscription and money order blanks to be used in for-warding your subscription, which will have prompt acknowledgment, in the form of a McKinley Memorial Fund Certificate. The committee trust to re-ceive your prompt and favorable re-

total lack of knowledge as to what had 26th inst. become of the bust, for which there was made a popular dollar subscription, the people seemed to shut up clams. There was some curiosity ex-pressed as to the use to which this money was to be put, and it was said by some of the committeemen that they had heard that the bust was now in the Bishop Museum, a place which seemed out of keeping for it. Mr. Mark Robinson, the treasurer of the fund, said yesterday afternoon that there had 14. She will sail again from San Francisco on April 14. She will sail again from San Francisco on April 15 and should arrive here on April 16. She will sail again from San Francisco on April 17. ALRATROSS FINDS A 1)FFD been subscribed something less than cisco for Honolulu on May 14. \$1800, which he had completed to the latter sum, all of which had been paid over to Sculptor Hutchinson for his here yesterday, and should arrive on work in the making of the bust. COL. J. L. CHAMBERLAIN INSPECTS CAMP M'KINLEY

Battalion Makes Brave Show in Heavy Marching.

P HE garrison and troops at the arillery post at Camp McKinley were given over to a thorough ice. spection yesterday morning by Livathe executive committee, there being present only Acting Chairman F. A. Schaefer, C. M. Cooke, J. A. McCandtonen, Major Davis, Artiflery Corps, Major Davis, Artiflery Corps, Major Davis, Arithery Corps, post commander, took personal coma buitalion of four companies in heavy marching order.

equipment consisted of blue suiforms, knapsacks, haversacks, beits, canteens campaign hats and leggings. review was had at the camp, the bugles sounding a march, after which the command was taken to the race track at Kapiolani Park. The companies were in command of Captain Pearce, Lieut. Jones, Lieut. Davis and Lieut. Newton, respectively.

The Inspector-General, surrounded by those interested in the ceremony, post-ed himself so that he had a splendid opportunity to watch the deployment of the troops. They passed in review before him and came to a halt in battallon formation. The officer made an inspection of each company, scrutinizing the equipment of each soldier tharoughty. As soon as each company had been inspected, it was marched off funds, submitted a form of letter and the field to the garrison camp and dismissed.

At 11:30 inspection of quarters took place, the Inspector-General passing through all the barracks and buildings used by the men. It is believed that he found everything shipshape. men on review presented a fine appear-
